

APPOINTMENT POLICY

No Walk-Ins

To ensure proper time management, Dere Nailz will no longer offer walk-in services. All services are by pre-arranged appointment only.

Please book your appointments via our booking system with the link in our bio.

Arrival Time

Arrive 10 minutes before your appointment to check in, use the bathroom, and make color and design choices. If you need to soak off previous acrylics, please arrive 30 minutes before your appointment.

Punctuality

We maximize your appointment time to ensure your nails are perfect. If you are late, your treatment time will be shortened to accommodate the next client.

If you expect to be more than 15 minutes late, we cannot guarantee completion of your services, and you may need to reschedule.

First-time clients should familiarize themselves with the studio environment before their appointment.

Allergy Information

Please provide any allergy information when booking your appointment so we can take the necessary precautions to accommodate your needs.

Thank you for choosing Dere Nailz! We look forward to providing you with the best nail care experience.
